Introduction

Life insurance protection is important to your clients, as is your ability to help ensure your client's application and underwriting process goes smoothly. This guide provides insights into Pacific Life's clear, consistent underwriting methodology.

Clear, Consistent Communication

Pacific Life is committed to making it easier for our customers to do business with us. With a progressive approach to underwriting and in-depth understanding of the advancements in clinical medicine, our underwriting team continues to look for opportunities for a more holistic approach to risk selection. We focus on providing world-class customer service and a seamless end-to-end experience to give you:

- More personalized evaluations
- More competitive offers
- More consistent decisions
- Quicker turnaround
- Fewer requirements

Pacific Accelerated Life+ (PAL+)

One Seamless Process. Three Possible Pathways.

PAL+, Pacific Life's streamlined underwriting process with three possible pathways—accelerated, modified, and traditional—that allows your clients' applications to be routed through the least invasive underwriting method possible.

For example, if your clients are first considered for accelerated and they do not qualify, they're automatically considered for modified in which an attending physician statement (APS) is ordered, with evidence of a physical exam and lab work within the past 12 months. If your clients don't qualify for the modified underwriting pathway, they're automatically moved to traditional underwriting.

One Seamless Process, Three Possible Pathways: *You Apply, We Do the Rest*

The paramed exam and labs are valid for up to 12 months for insured's age 70 or less who are approved standard or better. For insured's who are over the age of 70 or are approved substandard, the paramed and labs are valid for 6 months.

1 For ages 65 and over, the APS must include evidence that the proposed insured visited his/her personal care physician in the 18 months immediately before the date of the application Part I or II, whichever is later.

2 For ages 71 and over, a Med Plus (Cognitive Assessment) and a Mobil (functional assessment) from approved vendors will be required during the paramed.

Uninsurable Conditions/Conditions by Timeline

Your importance in the underwriting process cannot be overstated. Helping identify acceptable risks and qualified applicants will enhance the speed and quality of your clients' underwriting experience. A fully completed, accurate application helps keep the underwriting process as short as possible.

Here's What to Look for

- Proposed insureds should not be taking medications for conditions that are uninsurable.
- The proposed insured cannot have an uninsurable condition.
- Certain conditions will not be considered if they are within an unacceptable period of time.

Uninsurable Conditions/Conditions by Timeline

Uninsurable Conditions/Conditions by Timeline

Applications for your clients with any of the following impairments should not be submitted.

Issue	Timeline
Abdominal aortic aneurysm corrected surgically	Within past 6 months

This list is not all inclusive, as other medical conditions and timelines could result in an additional underwriting charge or decline of coverage. If your client has a medical condition not listed here, please refer to the Medical Risks section for further information.

Medical Risks

To help provide a more transparent customer experience, it is suggested that you alert your clients to additional information that may be needed if a listed impairment applies to them.

Key Points to Keep in Mind

- The severity of medical conditions varies among individuals, and individuals may have multiple impairments.
- Underwriters also will review the functionality of applicants age 65 or older. This includes their cognition, mobility and exercise capacity, weight change and nutritional status, social connectivity, and degree of independent living.
- If medical testing has been advised but not yet completed, the case may be declined, with possible reconsideration after the test results are available. Underwriters' offers depend on the merits of each case and we reserve the right to include additional requirements for cause.

You Apply. We Do the Rest.

FINANCIAL UNDERWRITING GUIDELINES

Financial underwriting is a key part of the underwriting process. Underwriting can go faster and more smoothly if you submit the case with a fully completed application, explanatory cover letter and documentation supporting the amount of insurance applied for. A cover letter should include:

- Reason for the life insurance
- How the amount applied for was determined
- Total amount of life insurance on the insured's life with all companies
- Pending life insurance application
- Life insurance to be replaced
- Reason for unusual or complex ownership and beneficiary designations

Please include with your cover letter the illustrations or quote used to help make the sale and financial statements that help demonstrate the need for insurance.

Our underwriters follow the guidelines below. The facts of each case will determine how much coverage we offer. You may use these guidelines to help your clients and to determine the information we need in order to evaluate the case.

Note: Applications over \$10 million require 3rd party verification of financial information. Please reference the age and amount requirement chart on page 10 for more details.

Personal

Purpose	Documentation	Coverage Amounts
Estate Conservation	<ul style="list-style-type: none"> Total personal assets and liabilities, as well as additional financial documentation as required by underwriting 	<ul style="list-style-type: none"> For estates, the maximum death benefit amount is calculated by compounding the client's current net worth using a reasonable growth rate (usually 5–7%), over a number of years equal to 55% of the (younger) client's life expectancy, not to exceed 20 years.
Charitable Giving	<ul style="list-style-type: none"> The life insurance amount is based on the insured's established record of giving and the risk of loss to the charity upon the insured's death. <ul style="list-style-type: none"> – Personal insurance needs should already be met. 	<ul style="list-style-type: none"> Use the amount of annual giving, 25x the pattern of historical annual giving, up to 50% of personal coverage.
Special Needs	<ul style="list-style-type: none"> An individual with special needs generally refers to someone with a mental, emotional or physical disability—or a high risk of developing one—that impacts (or will impact) their ability to care for themselves physically and financially. The proposed insured is someone who provides personal care services and/or financial support for the person with special needs; someone whose death will result in a financial hardship for the person with special needs. The policy owner will typically be either the insured or a trust for the benefit of the person with special needs. 	<ul style="list-style-type: none"> The amount of death benefit required to fund special needs may vary substantially depending upon a number of factors, including the nature and severity of the condition affecting the person with special needs, current and projected future costs of care specific to the condition, as well as the financial abilities and planning goals of the care provider(s). In some cases, the projected death benefit needed to cover special needs will be within what would be allowed for the proposed insured under existing income replacement and estate conservation guidelines.

Important Payment Guidelines

- Pacific Life will make direct payments only to the medical requirement providers that are contracted with Pacific Life (refer to accompanying Preferred Provider list).
- Producers or firms choosing to use medical requirement fulfillment vendors not included on the list of Preferred Providers will do so pursuant to their own business arrangements.
- Upon receipt of a request for reimbursement of fees associated with an APS from a non-preferred provider, Pacific Life will reimburse the expense up to \$100. Refer to FAQs for additional details.

1. How do I order an Inspection or Motor Vehicle Report (MVR)?

These requirements are ordered by Pacific Life upon receipt of the application. There is no action necessary by the firm or producer.

2. Will Pacific Life pay for medical requirement fulfillment services arranged by a firm or producer?

Yes, if the following two conditions are met:

- The requirements are ordered to meet Pacific Life underwriting guidelines, and
- The requirements have been received in connection with the underwriting of a formal Pacific Life life insurance application.

Note: Pacific Life will make direct payments only to the medical requirement fulfillment providers that are contracted with Pacific Life and included on the list of Preferred Providers. Review answer to Question 4 for additional details.

3. Will Pacific Life reimburse a producer or firm for APS fees?

As noted in Question 2, Pacific Life will pay for underwriting requirements that are required by us and have been received in connection with the underwriting of a formal Pacific Life life insurance application with the following exceptions:

- Producers or firms that choose to use a medical requirement fulfillment provider that is not one of Pacific Life's Preferred Providers will do so pursuant to their own business arrangements.
- Upon receipt of a request for reimbursement of APS fees associated with medical requirements arranged by a producer or firm from a non-preferred provider and proof of payment, Pacific Life will reimburse the producer or firm for such expenses up to a maximum of \$100.00.

4. Will Pacific Life accept a paramedical exam from a non-preferred provider?

Paramedical services performed by non-preferred providers are subject to approval from a Pacific Life underwriter. If approved, reimbursement of fees will be subject to rates and standards deemed acceptable to Pacific Life. In addition, the exam cannot be performed by the Primary Care Physician (PCP).

5. How should a reimbursement request be submitted?

Submit your requests for reimbursements and include a copy of the invoice and proof of payment. Submit a completed W-9 form, if it is your first reimbursement request. You may submit your reimbursement requests via email to: APSReimbursements@PacificLife.com.

Reimbursement request must be submitted no later than six months after requirement receipt or formal application submission.

Most reimbursements requests are processed within 30 days from the time Pacific Life receives the request, formal application, and medical requirements. If you have additional questions, please contact APSReimbursements@PacificLife.com.
